

Gastrology

Our Head Mixologist Jeremy Le Blanche, has curated a six part story playing on the concept of gastronomy & mixology. Let us take you on a journey that explores ingredients and flavors inspired by worldwide cuisine in just one sip.

Available in our Bar & Lounge, Monday to Saturday, from 5pm.

Queen's Garden \$26

The ultimate transcendence from vegetable to cocktail; this refreshing green drink features fresh-pressed lettuce juice, coconut water, lime and saffron-infused gin in a squash-like vessel. Surrounded by dots of orange zest cream & purple potato crisps.

Depressed in Tokyo \$24

Paying homage to the mood-boosting benefits of Japanese cuisine (such as seaweed's production of serotonin), this martini includes a layered fusion of vodka, mint sake & seaweed - garnished with salmon caviar.

Le Saucier \$27

Devoting this drink to chef saucier due to its key position in delivering the perfect culinary experience. A tropical twist of Ramos fizz with dry mango milk, orange blossom and homemade eucalyptus gin. Topped with piña colada jelly.

Cuvée Concept \$25

Served in a unique wine glass, this pear vodka-based cocktail purposefully & ironically looks like red wine with notes of beets and berries.

Paired with black grapes & blue cheese.

Hiroki Sky \$24

Inspired by the book 'Sola', by Japanese Chef Hiroki Yoshitake, it showcases a new wave of flavors & feelings. Toki whisky, sweet pistachio wine and pear cider accompanied with white chocolate & wasabi ice cream.

Big Apple \$25

Served in an apple-shaped glass, this drinkable treat exudes a bright red hue that channels the glitz & glamour of Manhattan. Crafted with Sandalwood Calvados, cherry blossom aperol and house made apple soda, garnished with meringue.
