

# Gastrology

*Our Head Mixologist Jeremy Le Blanche, has curated a story playing on the concept of gastronomy & mixology. Let us take you on a journey that explores ingredients and flavors inspired by worldwide cuisine in just one sip. Available in our Bar & Lounge, Monday to Saturday, from 5pm.*

## Depressed in Tokyo \$24

Paying homage to the mood-boosting benefits of Japanese cuisine (such as seaweed's production of serotonin), this martini includes a layered fusion of vodka, mint sake & seaweed - garnished with soy & salmon caviar.

## Cuvée Concept \$25

Served in a unique wine glass, this pear vodka-based cocktail purposefully & ironically looks like red wine with notes of beets and berries. Paired with black grapes & blue cheese.
